My Head Is My Only House Unless It Rains

Everything But the Girl

I'll let a train be my feet if it's too far to walk to you And if a train don't go there, I'll get a jet or a bus 'cause I'm gonna find you Your're gonna see my shadow soon around you Yea, My head is my only house unless it rains I'll walk the medow plains Water deserts on my eyes until I find you, I won't sleep until I find you Won't eat until I find you

My heart won't beat until I wrap my arms around you

My arms are just too things in the way

'till I can wrap them around you

You can make a sad song happy, and a bad world good

I feel you out there movin'

You're mine and I know I'll find you

Yea, my head is my only house until I find you

I hate to hear other people hear me sing this song

If it reaches you before I do, follow this song, and I love you

It's where I'll find you

Yea, my head is my only house unless it rains (x 4)
