We Walk the Same Line

Everything But the Girl

If you lose your faith, babe You can have mine And if you're lost I'm right behind 'Cause we walk the same line

Now I don't have to tell you How slow the night can go I know you've watched for the light

And I bet you could tell me
How slowly four follows three
And you're most forlorn just before dawn

So if you lose your faith, babe You can have mine And if you're lost I'm right behind 'Cause we walk the same line

When it's dark, baby
There's a light I'll shine
And if you're lost I'm right behind
'Cause we walk the same line

And I don't need reminding How loud the phone can ring When you're waiting for news

And that big old moon Lights every corner of the room Your back aches from lying And your head aches from crying

So if you lose your faith, babe You can have mine And if you're lost I'm right behind 'Cause we walk the same line

When it's dark, baby
There's a light I'll shine
And if you're lost I'm right behind
'Cause we walk the same line

And if these troubles Should vanish like rain at midday Well, I've no doubt there'll be more

And we can't run and we can't cheat 'Cause baby, when we meet, what we're afraid of We find out what we're made of

So if you lose your faith, babe You can have mine And if you're lost I'm right behind 'Cause we walk the same line

When it's dark, baby There's a light I'll shine And if you're lost I'm right behind 'Cause we walk the same line

And if you're lost I'm right behind 'Cause we walk the same line Walk the same line
And if you're lost I'm right behind 'Cause we walk the same line

Lost I'm right behind We walk the same line Walk the same line
