

## Can't Do

## Everything Everything

Just gimme a glimpse, I have to know  
Just give me the business end to go  
I wanna be done by twenty to four  
Show me the bones under the floor in your room  
Have I awoken something sleeping in you?

That was the future on the phone  
He said it's up to me  
It's up to me, it's up to me, it's up to me  
I've gotta try it again  
It's up to me, it's up to me, it's up to me  
I've gotta figure it out  
It's up to me, it's up to me, it's up to me  
I said, I said

Help me  
I can't do the thing you want  
Can't do the thing you want  
Can't do the thing you want  
Help me  
I can't do the thing you want  
Can't do the thing you want  
Can't do the thing you want

I'm loving the bass  
I'm loving the drums  
I cannot imagine how to be wrong  
Dear life, dear life  
Dear life, dear life

But that was the horror on the phone  
He said, it's up to me  
It's up to me, it's up to me, it's up to me  
I gotta try it again  
It's up to me, it's up to me, it's up to me  
I gotta rip it apart  
It's up to me, it's up to me, it's up to me  
I said, I said

Help me  
I can't do the thing you want  
Can't do the thing you want  
Can't do the thing you want  
Help me  
I can't do the thing you want  
Can't do the thing you want  
Can't do the thing you want  
Help me  
I can't do the thing you want  
Can't do the thing you want  
Can't do the thing you want  
Help me  
I can't do the thing you want  
Can't do the thing you want  
Can't do the thing you want

It's up to me, it's up to me, it's up to me, it's up to me

Just wanna be on my own  
It's up to me, it's up to me, it's up to me  
I gotta rip it apart  
It's up to me, it's up to me, it's up to me  
I said, said

I can't do the thing you want  
Can't do the thing you want  
Can't do the thing you want  
Help me  
I can't do the thing you want  
Can't do the thing you want  
Can't do the thing you want  
Help me  
I can't do the thing you want  
Can't do the thing you want  
Can't do the thing you want  
Help me  
I can't do the thing you want  
Can't do the thing you want  
Can't do the thing you want

Can't do the thing you want  
Can't do the thing you want  
Can't do the thing you want  
Just wanna be on my own  
Can't do the thing you want  
Can't do the thing you want  
Can't do the thing you want  
Just wanna be on my own
