

# Cut UP!

Everything Everything

Master  
Automatic as you like  
Automatic as you like  
Blacklight, red light  
Faster  
Mother's gonna take you in  
Mother's gonna take you in  
Gaslight, petabyte  
Disaster  
Bullet in the megalodon  
Bullet in the megalodon  
Dogfight, dogfight  
Oh, master  
Are you gonna walk the plank?  
Are you gonna walk the plank?  
Hardware, software

(Ah, ah) What would happen if I click?  
(Ah, ah) What would happen if I'm—

(Cut-up)  
I got the money (Cut up)  
I got the marking (Cut up)  
I got the mission  
I know where it's at  
The widow told me (Cut up)  
The meathead told me (Cut up)  
The goatman told me  
I know where it's at

I don't wanna pay the rent  
I don't wanna pay the rent  
Hear that? Hear that?  
You dead duck  
Ballerina in the back  
Ballerina in the back  
Get down, and keep down

(Ah-ah) Drinking from a hollow skull  
(Ah-ah) Yes, this is an awkward time  
(Ah-ah) What would happen if I click?  
(Ah-ah) What would happen if I'm

(Cut up)  
I got the money (Cut up)  
I got the marking (Cut up)  
I got the mission  
I know where it's at  
The widow told me (Cut up)  
The meathead told me (Cut up)  
The goatman told me  
I know where it's at  
The master told me (Cut up)  
Kevin told me (Cut up)  
The mirror told me  
I know where it's at  
The rhythm told me (Cut up)

The Pizza Boy told me (Cut up)

Goliath told me

I know where it's at

I know where it's at

I know where it's at

(Ah, ah)

(I know where it's at) (Ah, ah)

Ooh, what would happen if I'm (Ah, ah)

What would happen if I'm-

(Cut up)

I got the money (Cut up)

I got the marking (Cut up)

I got the mission

I know where it's at

The widow told me (Cut up)

The meathead told me (Cut up)

The goatman told me

I know where it's at

The master told me (Cut up)

Kevin told me (Cut up)

The mirror told me

I know where it's at

The rhythm told me (Cut up)

The Pizza Boy told me (Cut up)

Goliath told me

I know where it's at
