

We roam ahead and turn out of where you see  
I can't hear the heart, this old oil stain  
Tell me how to feel  
Pass your banner's eyes  
Heavy load, we sail  
I get her life

We go, there is such a burden up a different trail  
Come, say it to me, honey, who are they?

Go, try so hard to please  
Not so instant I  
Let your body grow  
Let it off the plain  
I don't need it here  
Wear your totems all  
Is it like a snare?  
I can betcha
