

# It Was A Monstering

Everything Everything

Ooh, I would rather have  
I would rather have a friend than a good memory  
'Cause memories  
And a yearning heart  
Never held me close  
Never helped me out  
And I don't like the feeling  
No, I hate it

It was a monstering  
It was a monstering at nearly ninety-thousand feet  
Or so they say  
For I would not know  
'Cause I don't look back  
And I don't look forward  
'Cause I don't like the feeling  
No, I hate it  
And I don't like the feeling  
No, I don't  
But that's the cherry on my coffin

Slender Man  
Purple Aki  
Cherub Man  
I can see you now  
Lava Man  
Sickle Man  
Why'd you smash into each other?  
Granite Man  
Hollow Man  
Gruesome Man  
Shadow Man  
You tap, you tap my window  
Like the wind  
Dragon Twin  
The most beautiful thing  
Spinal Man  
Scaled Man  
Plasma Man  
I want your head  
In my head  
Alive

I don't like the feeling  
No, I hate it  
I don't like the feeling  
No, I don't  
But that's the cherry on my coffin
