

Kevin's Car

Everything Everything

And the moment never lasts
But every headlight that we pass
Is bleeding into all mankind
Is bleeding into colours I know
Leave me on the western front, yeah

All of my hurt is gone
And all of my wars are won
I'm on my way, I'm on my way
I'm on my way
On my way

And while my mind's erasing
I'm falling into you
I'm sleeping in the back of your car
Sleeping in the back of the car
And while my mind's erasing
I'm falling into you
I'm sleeping in the back of your car
Sleeping in the back of the car

And there is no Planet A
And there ain't no universal way
To tell you that I got this thing
Tell you I can never go back
Maybe you can call my landline

All of my hurt is gone
And all of my wars are won
I'm on my way
On my way
I'm on my way
On my way

And while my mind's erasing
I'm falling into you
I'm sleeping in the back of your car
Sleeping in the back of the car
And while my mind's erasing
I'm falling into you
I'm sleeping in the back of your car
Sleeping in the back of your car
That's me in the distance
I'm breathing out and in
I'm running to the mouth of the Moon
Running to the mouth of the Moon
And while my mind's erasing
I'm falling into you
I'm sleeping in the back of your car, yeah
Sleeping in the back of your car

And while my mind's erasing I'm falling into you
I'm sleeping in the back of your car
Sleeping in the back of the car
Yeah, while my mind's erasing
I'm falling into you
I'm sleeping in the back of your car

Sleeping in the back of the car
That's me in the distance breathing out and in
I'm running to the mouth of the Moon, yeah
Running to the mouth of the Moon
And while my mind's erasing
Falling into you
Falling into you
