

# Metroland Is Burning

Everything Everything

They were looking for survivors, hmm  
And now they're not  
Try to stay together  
These are the rules of the game

I've been waiting for you all my life  
But they don't give a flying fuck about us  
I've been drinking this since I was eight or nine  
But they don't give a flying fuck about us  
(Time to play the game)  
I am starting the fire  
(It's time to play the game)  
I am starting the fire

Metroland is burning  
No God is here  
You must start mutating  
These are the rules of the game

I've been waiting for you all my life  
But they don't give a flying fuck about us  
I've been drinking this since I was eight or nine  
But they don't give a flying fuck about us  
(Time to play the game)  
I am starting the fire  
(It's time to play the game)  
I am starting the fire

Kevin, Kevin, Kevin, can you imagine it?  
The escalator breathing in a hydra howl  
Fire and the money and the power  
You left the earth you left us here to burn  
These are the rules of the game  
These are the rules of the game  
These are the rules of the game  
These are the rules of the game

And what is Kevin on?  
(Gotta know, gotta know, what I'm looking for)  
What is Kevin on?  
(Gotta know, gotta know, what I'm looking for)  
What is Kevin on?
