

## Pizza Boy

## Everything Everything

You want to hypnotise me, go ahead  
You want a mystery, well there ain't no more left  
I may be comatose but oh my god  
We can have a good night

I'll have a Coke  
I'll have a Pepsi now  
You are afraid  
That you're a Pizza Boy

Is it fun on your own?  
Just you and your mobile phone?  
Are you coming to life?  
Do you want me to look inside?

And they buried you in heavy snow  
And they beat you and they played you like a drum  
But you just partied like it's 1997 again  
Let's get disfigured in the morning rain  
If I could clone you I could take the Western world  
But time is fun when you're just having flies  
We can never go back  
Ah, ah!

I'll have a Coke  
I'll have a Pepsi now  
You are afraid  
That you're a Pizza Boy

Is it fun on your own?  
Just you and your mobile phone?  
Are you coming to life?  
Do you want me to look inside?  
You need more time  
You need more time

I'll have a Coke  
I'll have a Pepsi now  
You are afraid  
That you're a Pizza Boy, boy  
I'll have a Coke  
I'll have a Pepsi now, now  
You are afraid  
That you're a Pizza Boy (Time)  
You need more time  
You need more time

Is it fun on your own? (You need)  
Just you and your mobile phone? (More time)  
Are you coming to life? (You need)  
Do you want me to look inside?
