

# Planets

## Everything Everything

To the bigots in the batcave  
I think some of you are permanently off my Christmas list  
Ooh, the dance floor is overrunning  
With frat boys telling me I got no business sitting in business  
class

Can you love me?  
Can you love me?  
More than the planets  
Planets  
More than the

What's beastly about beast behaviour?  
God knows I could use a drink of virgin blood to quench my thirst

Can you love me?  
Can you love me?  
Oh, don't tell me  
Can you love me?  
Can you love me?  
More than the planets

Planets  
More than the planets  
More than the  
More than the planets  
Planets  
More than the  
More than the planets  
Planets  
More than the planets  
More than the  
Planets  
More than the  
More than the planets  
Planets

Can you love me?  
Can you love me?  
Oh, more than the planets  
Planets  
More than the planets
