

# R U Happy?

Everything Everything

(This'll be)  
This'll be the last time you see me  
We don't talk about it, hey!

(This'll be)  
This'll be the last breath I'm fighting for  
I'm scared about it  
The water underground

R U happy?  
Happy?  
R U happy?  
Happy?  
Dance in a skeleton way  
Pain is a chemical, I  
Feel this incredible thing  
You are an animal, you are not alone

(Take me to)  
Take me to the first deep automatic love  
I won't invent it, hey!  
(Take me to)  
Take me to the heart of Creddahornis  
(Take me to)  
Don't wanna just think about it  
The mountain is a lie

R U happy?  
Happy?  
R U happy?  
Happy?  
Dance in a skeleton way  
Pain is a chemical, I  
Feel this incredible thing  
You are an animal, you are not alone

R U happy?  
Happy?  
R U happy?  
Happy?  
R U happy?  
Happy?  
R U happy?  
Happy?  
Dance in a skeleton way  
Pain is a chemical, I  
Feel this incredible thing  
You are an animal, you are not alone
