## Everything Everything

Regret! Regret!  
Regret! Regret!

First you'll see me on the news then never again  
Regret! Regret!  
I'm rolling in my grave  
Regret! Regret!  
Feeling like a grenade  
Regret! Regret!  
Maybe you're the coldest  
Regret! Regret!  
If you never felt it  
Regret! Regret!  
Maybe you're the luckiest  
Regret! Regret!  
If you never did it  
Regret! Regret!

But did you imagine it  
In a different way?  
Did you imagine it  
(But did you imagine it)  
In a different way?

Did you ever watch your life slide out of your hands?  
Regret! Regret!  
You wish it never had  
Regret! Regret!  
But all of that's in the past  
Regret! Regret!  
Maybe I'm a human?  
Regret! Regret!  
Trying to click and doom man  
Regret! Regret!  
Or maybe I'm automaton  
Regret! Regret!  
Oh how'd it all go so wrong  
Regret! Regret!

But did you imagine it  
In a different way?  
Did you imagine it  
(But did you imagine it)  
In a different way?  
Did you think that everything  
Everything would change?  
Did you imagine it  
In a different way?

Regret! Regret!  
Hahahahaha  
Regret! Regret!  
Maybe you're the luckiest  
Regret! Regret!  
If you never felt it  
Regret! Regret!

But did you imagine it  
In a different way?  
Did you imagine it  
(But did you imagine it)  
In a different way?  
Did you think that everything  
Everything would change?  
Did you imagine it  
In a different way?

Regret! Regret!
