Software Greatman

Everything Everything

Fish are swimming in and out of all our rooms
I just thought that maybe I'd get used to doom
Well, I never did
And I never will again
There has been much grieving in relationships

Maybe I see Klingons on the starboard bow
Maybe I'm a cat inside a sacred cow
You don't turn it off
You turn it off and on
Clearshining clutches coiled around my grave

I don't know how to get over this thing 'cause it's always ther
e
I don't know how to get over this thing 'cause it's always ther
e
And every time I go back into myself it's just waiting there
I don't know how to get over this thing 'cause it's always ther
e

Mmm
