Everything Is Recorded

There are moments in our lives
That we feel completely alone
We feel as though, no one knows what we are going through
It is possible to be alone, and not live alone
You made me believe in something more than hurt
It is possible to feel alone
I could, be your connection
And not work alone
Ten-thousand miles
Show love, show love
My mum is in my head
I remember looking up at this really big tree
And I was think about her smile
She brought me up to be free
[?] read my word
Light is hazy
Show love, show love
[?] read my word
You are not alone
You didn't make it to where you are by yourself
No strange food for me

Be my [?]
Rise up, rise up, rise up
If I [?] way
