

Wear and Tear

Everything Is Recorded

All the wear and the tear, and the tears and the fears
Over years, over years, over years, over years
All the wear and the tear, and the tears and the fears
They accumulate over the years and the years
Can you hear, can you hear?

You can never break me down (Yeah, yeah)
You can never fade me out (Yeah, yeah)
You can never break me down (Yeah, yeah)
You can never fade me out (Yeah, yeah)

I don't know how to speak my truth to you
Cuz I'm scared of losing myself, what you do to me
I've lost the memory of feeling
How time touches my heart
Love, it was tonal, your voice was so holy

All the wear and the tear, and the tears and the fears
Over years, over years, over years, over years
Heavy loaded with dreams, all the wear and the tear
And the tears and the fears over years, over years, over years, over
Can you hear, can you hear?

Your tears are not my tears
Your fears are not my fears
Your tears are not my tears
Your fears are not my fears

You can never break me down (Yeah, yeah)
You can never fade me out (Yeah, yeah)
You can never break me down (Yeah, yeah)
You can never fade me out (Yeah, yeah)

You build your own world (I've been living alone, been here for a while)
You let it all go (Being a child, living so wild, so wild, so wild)
(I want you here with me)
Make me feel this love (My heart's breaking)
You let it all go

Celebrate, celebrate
Celebrate and the tears
Celebrate, celebrate, celebrate, celebrate
(You let it all go)

All the wear and the tear, and the tears and the fears
Over years, over years, over years (You let it all go)

You can never break me down (Yeah, yeah)
You can never fade me out (Yeah, yeah)
You can never break me down (Yeah, yeah)
You can never fade me out (Yeah, yeah)

I don't wanna be in a sexual play
