

# Weird Energy / Thick Of It

Eves Karydas

Chain reaction  
Fatal attraction  
Flashing lights keep me wide awake  
Thinking in patterns  
Watch as it happens  
Butterfly you better fly away

All this weird energy  
It's a car crash there right in front of me  
Like a black cat walking where it shouldn't be  
It follows me, this energy  
There's a bad line messing with the melody  
Like my ex man trying to get a hold of me  
I'm just trying to have a good day I swear to God  
It follows me, this energy

Hey yeah yeah yeah yeah  
Hey yeah yeah yeah yeah  
No point making enemies  
It's just weird energy  
Hey yeah yeah yeah yeah  
Hey yeah yeah yeah yeah  
No point making enemies  
It's just weird energy

Static vibrations  
Lack of temptation  
I wish I could shake it off  
But I'm right in between  
Looking down on myself in a dream  
Oh where, oh where did I get it wrong?

All this weird energy  
It's a car crash there right in front of me  
Like a black cat walking where it shouldn't be  
It follows me, this energy  
There's a bad line messing with the melody  
Like my ex man trying to get a hold of me  
I'm just trying to have a good day I swear to God  
It follows me, this energy

Hey yeah yeah yeah yeah  
Hey yeah yeah yeah yeah  
No point making enemies  
It's just weird energy  
Hey yeah yeah yeah yeah  
Hey yeah yeah yeah yeah  
No point making enemies  
It's just weird energy

Hey yeah yeah yeah yeah  
Hey yeah yeah yeah yeah  
So get in line if you wanna  
But you gotta take a number  
Hey yeah yeah yeah yeah  
Hey yeah yeah yeah yeah  
So get in line if you wanna

But you gotta take a number

Can't take another one

Can't take another one

Another bullet

Full hit

Never miss

Like I'm always caught in the thick of it

Can't take another one

Can't take another one

Another stupid dude thinking with his dick

And then me getting caught in the thick of it

Can't take another one

Can't take another one

Another friendship ends 'cause I feel like shit

It's like I'm always caught in the thick of it yeah

Though I know in my heart

Some day, some day, some way I'll find

The remedy yeah

Where the sun is shining

All I will do is just sit for a while

Sit for a while
