

## Different Phases

### Evidence

Make the music for me, but got you in mind  
And mind you what I do is through abusing time  
Shining moments, running through the mazes...  
Different types of beats and different phases  
Best friends don't become strangers  
Nowadays, they watch you at a distance and they tripping from a  
different angle  
Different situations make me angry  
Let me find a way to try to start a day without a fuck you pay  
me  
EV is not an army or Navy  
I'm an Air Force  
Sleeping with the people at the airport  
Shit, you know what I'm there for  
Tat on the passport and back to the basics  
Back to the traffic, and the weed is for my patience  
Trying to find peace when I'm seated at my station  
I might be on one, but hard to be on my vacation  
Listen, I never strayed away from my flock  
A lot of people that I knew moved away from my block  
A lot of grown-up square types that say that I'm not  
I don't fuck with a lot

Took a lot of planning  
Reputation far from where I'm standing  
If I shoot a bullet, I don't hide the smoke that's from the can  
non  
Leap of faith where I'm supposed to be is where I landed  
In the best hands my people are my family if I'm stranded  
Graffiti writer, never dreamed of being famous  
The goal was that they never knew the face, not being nameless  
Aiming for a target, if I didn't hit it, shameless  
In the rain and never read the rules to what the game is

Make the music for me, but got you in mind  
And mind you what I do is through abusing time  
Shining moments running through the mazes  
I went through all different types of beats in different phases
