Evidence

Hello, this is Cap'n Summers with your local weather forecast, Southern California's finest. CA a-a-a-a-all day. Well, ladies and gentlemen, it looks like it's gonna be one of those weeks. We're gonna start off with the wet Monday morning and no sign of letting up anytime soon. We apologize to all our out-of-towners: you might wanna put those swim trunks away and get out your raincoats and umbrellas. I'll check back in with you later in the hour and stay tuned all week to the best meteorologists. Your friend, Cap
