

The Optimist

Evie Irie

Haha

Du-na-na-na, ah-na-na-na-na, ah, da

Du-na-na-na, na-na-na-na-na, da, da

Du-na-na-na, na-na-na-na-na, na, na

Lately, it's been a little bit wild

I wake up wearing this disgusting smile

It's like I hear a parade outside my window

Every day down my street when it used to be a shit show

Du-na-na-na, ah-na-na-na-na, ah, da

Du-na-na-na, na-na-na-na-na

Where all the dark clouds go?

Silver linings of pure gold

Overnight this angel found her halo

I don't really feel bad news anymore

Walking through walls like an open door, woah

I'm shutting down the negativity

I'll find the optimist in me, ooh

And so good ain't so bad

I'm giving in to love, I'm sick of being sad

Ooh, ooh, I could be happy

I could be happy all the time

Du-na-na-na, ah-na-na-na-na, ah, da

Du-na-na-na, na-na-na-na-na

I wanna drive down main with a megaphone

Shouting, "Love's gonna save the day" of the top of my lungs

Where all the dark clouds go?

Silver linings of pure gold

Overnight this angel found her halo

I don't really feel bad news anymore

Walking through walls like an open door, woah

I'm shutting down the negativity

I'll find the optimist in me, ooh

And so good ain't so bad

I'm giving in to love, I'm sick of being sad

Ooh, ooh, I could be happy

I could be happy all the time

Where all the dark clouds go?

Silver linings of pure gold

Overnight this angel found her halo

I don't really feel bad news anymore

Walking through walls like an open door, woah

I'm shutting down the negativity

I'll find the optimist in me, ooh

And so good ain't so bad

I'm giving in to love, I'm sick of being sad

Ooh, ooh, I could be happy

I could be happy all the time
