

Twist The Knife

Evil Nine

I've got me a badge, a bright shiny badge
I'm painting the crest in yellow and blue
I've got me a club, an exclusive club

Doesn't include a place for you

Hey, hello neighbor
Hey, hello neighbor, right you are

It's in the way that you walk
All of the changes, all the mistakes
It's in the demands you constantly make

It's in the way that you grieve
All of the loss
You don't know when you're better off
Or at what cost you've got it good

Hey, the banality of evil

Benevolent mother smother the child
The benefactors are in denial

Hey, hello neighbor
Hey, hello neighbor, right you are

There was a time not so long ago
I was master of everything I surveyed
Yes, there was a time
We did it my way, we'll do things my way

Benevolent mother, smother the child
The perpetrators are in denial

The banality of evil

King of the castle, room at the top
Off with their heads, chop 'em off

The banality of evil

Benevolent mother, smother the child
The benefactors are in denial

The banality of evil

King of the castle, room at the top
Off with their heads, chop 'em off

Hey, hello neighbor

I don't believe in what you believe
You skin is filthy and your gods don't look like god to me

But I want to touch you
Now that isn't right, no, that can't be right
But I want to touch you

You're leading me on, I know it

Hey

King of the castle, more room at the top
All sorts allowed, now the gloves are off

Hey, hello neighbor

Benevolent mother, smother the child
The benefactors are in denial

The banality of evil

King of the castle, room at the top
Off with their heads, chop 'em off

The banality of evil

Benevolent mother, smother the child
The perpetrators are in denial

The banality of evil

King of the castle, room at the top
Off with their heads, chop 'em off

The banality of evil
Hey, the banality of evil
Hey, the banality of evil
Hey, the banality of evil

Hey
