

We Have the Energy

Evil Nine

Without love

Without love

No more slogan!
No more excuses!
No more blinding our eyes and baring our asses to the world!
We have the power!
We have the resources!
We have the energy!
Let's get together and wreck shit!

Without love

No more slogan!
No more excuses!
No more blinding our eyes and baring our asses to the world!
We have the power!
We have the resources!
We have the energy!
Let's get together and wreck shit!

Without love

Without love

Without love

Without love

Without love

No more slogan!
No more excuses!
No more blinding our eyes and baring our asses to the world!
We have the power!
We have the resources!
We have the energy!
Let's get together and wreck shit!
