The Descending

Evildead

The clock is ticking as the Human Race
Becomes a time bomb
Republican, Democrats, third parties
Who's side you're on?
Polls, debates, UNFIT CANDIDATES
Verbal assaults and political rape
Cast your vote do not complain
A small donation to their campaign

Liberals, conserves, indies and greens
Complete the mighty hate machine
Left wingers, right wingers, all up in ya
Trying to keep their hidden agenda
In God We trust our governing body
To you and me the Illuminati
A fortress of solitude built in D.C.
Welcome in the new nominee

THE DESCENDING of our future
The candidates you love to hate
THE DESCENDING of our future
The corporate whore and the bad hombre

EVERY 4 YEARS, rise of evil
Propaganda, deceit, betrayal
EVERY 4 YEARS, rise of evil
The mighty dollar – not we the people

We're all at risk, but they don't care
It just a game to the billionaire
The filthy rich, the greed and power
They laugh at us from ivory towers
We're all at risk, but they don't care
It just a game to the billionaire
The filthy rich, the greed and power
They bury us in the darkest hour

THE DESCENDING of our future
The candidates you love to hate
THE DESCENDING of our future
The corporate whore and the bad hombre

Lead – Albert

EVERY 4 YEARS, rise of evil
Propaganda, deceit, betrayal
EVERY 4 YEARS, rise of evil
The mighty dollar not we the people
