

# The Thing (1982)

Evile

An ancient danger  
Frozen in time  
Unearthed by inquisitive minds  
An evil life-form, devious design  
An imitation  
In man it dwells  
No one the wiser, who can tell?  
Born again into another living shell

Parasitic death  
Paranoid eyes  
Find in who the virus hides  
Find in who The Thing resides

Back to the wall (trust departed)  
The Thing is transmogrified

No one can see it  
No one can feel it  
The safest place to hide is man  
Eradication is the masterplan  
If I'm an imitation  
How would you know?  
Eternal spawn begins to grow  
Matter of time until the planet is completely overthrown

Parasitic death  
Paranoid eyes  
Find in who the virus hides  
Find in who The Thing resides

Surrounded by the enemy  
Surrounded by friends  
Reunion  
Of the spirit and the flesh

Cells multiply  
Malformed humanoid  
Shifting the blame  
Set the thing aflame
