Parang mga baller na sumasalpak
Matik pera na agad kapag dumadakdak
Mga presyo namin lalo pang dumadagdag

Sa dami ng aming naipon na pang gasolina
Pwede na kahit na lagi pang magpapahinga
Parang droga na labo nyo ng mapapahina
'Di matatangging umukit, may sarili na pahina

Hell yeah! We the best out here!
Sasalungat ka ba na we can sell out shit
Inasinta, tinamaan ang mga target
Kahit san mo man ihanay ay mga top tier

I'm a Popstar
Drivin in a two door, drop top
Cruising with mothafucking crew like a mafia
Lahat napapatingin kapag dumaan na
Bale leeg silang hindi kami makaya

Dami gumagaya saamin pero di maamin
Bakat na ang pangalan kahit di na magmalalim
Kapag nadidinig alam agad kung san nangaling
Bumulosok pataas di nagtagal pa sa ilalim

Wag sabihin di ka napapabilib sa
Sa mga ginagawa namin na pampakilig at

Sukatan ng kalupitan panis mga naiwan
Inggit lang ang hindi kami kayang maibigan

Makinig nalang muna sa tabi home boy
Take a seat maupo ka't magkape homeboy
We the shit, laging lit, kada hit homeboy
Panoorin mo magpull kami naka convoy

Y'all can't stop hatin' us
Kaya ka nagagalit coz you can't be us
Wala daw kaming tira pero laging million views
We keep makin' so don't be confused
So just keep hatin' us

Pagka usapang the best una 'to sa list
Simula nung dumating 'di na umalis
Nung kami yung pumalit 'di na napalitan
'Dika magaling pag 'di kapa nagalingan

Simula nung nagpa-init 'di na lumamig
Mananahimik para makapag-ingay ulit
Daming natuwa nung kami naka-penetrate
May pera na sa rap kami-kami nag-elevate nyan

EXB lumakas nalang sa kaka-hate niyo!
Kami nagbukas ng gate ayaw niyo pa mag thankyou!
Yung mga tulig gumagawa nalang ng fake news
Kami topic ng mga pa-famous

Andami ring gustong maging kami
Ang kaso lang hindi yon madali
Nakarating kahit hindi minadali
At nasa unahan kahit hindi nagmadali

Y'all can't stop hatin' us
Kaya ka nagagalit coz you can't be us
Wala daw kaming tira pero laging million views
We keep makin' so don't be confused
So just keep hatin' us
