

Kickstarts

Example

You want me to come over I got an excuse
Might be holding your hand but im holding it loose
Go to talk then we choke its like our necks in a noose
Avoid the obvious we should be facing the truth

Start to think it could be fizzling out
Kinda shocked because I never really had any doubts
Look into your eyes imagine life with out ya'

And the love kick starts again
Starts again

The Love kick starts again
Starts again

Its the same old you the same old me
You get bored and I get cold feet
Get high get wondering eyes
Forget ive never ever had it so sweet
I realise what I got when Im out of town
Cos deep down youre my girl in a golden crown
My princess and I dont wanna let you down
No I Dont wanna let you down down down down

You want me to come over I got an excuse
Might be holding your hand but im holding it loose
Go to talk then we choke its like our necks in a noose
Avoid the obvious we should be facing the truth

Start to think it could be fizzling out
