

# One More Day (Stay with Me)

Example

Stay with me for just one more day

I have to make a move to somewhere miles away  
The only hope we've got is just to smile and pray  
Another lesson learned  
Another page is turned  
Give into your desire, say goodbye or play with fire, play with fire you'll  
get burned  
Another lesson learned  
Another page is turned  
It's time I have to fly and then you say those precious words

Stay with me  
Stay with me  
Stay with me, stay with me for just one more day  
Stay with me  
Stay with me  
Stay with me, stay with me for just one more day

You make me lose my focus and the time of day  
Just one minute in your arms, the night, it flies away  
Another lesson learned  
Another page is turned  
Give into your desire, say goodbye or play with fire, play with fire you'll  
get burned  
Another lesson learned  
Another page is turned  
It's time I have to fly and then you say those precious words

Stay with me  
Stay with me  
Stay with me, stay with me for just one more day  
Stay with me  
Stay with me  
Stay with me, stay with me for just one more day

I'm falling for you, you've fallen for me  
Stay with me, stay with me for just one more day  
I'm falling for you, you've fallen for me  
Stay with me, stay with me for just one more day

Oh I think loving you could be so easy  
Oh I think loving you could be so easy

I rate that heavenly girl, she's a keeper  
Should be taking her home, make it deeper  
Take that leisurely stroll by the beach  
Then I've gotta leave country, now apply Visa  
I'm gonna bottle our love, take a litre  
See you in a couple of weeks  
We're like a couple of freaks in Ibiza  
Even if we're sat on the sofa, you just won me over

Stay with me  
Stay with me  
Stay with me, stay with me for just one more day  
Stay with me

Stay with me

Stay with me, stay with me for just one more day

I'm falling for you, you've fallen for me

Stay with me, stay with me for just one more day

I'm falling for you, you've fallen for me

Stay with me, stay with me for just one more day
