

## Dead Meat

## Exhumed

Descend down the food chain  
Your remains ground and minced  
Corporeal Utility  
Clearly Evinced  
Corpse-grinding madness  
Makes a meal out of you  
Canned, sold and devoured  
Your remains now pet-food

Dead meat

Your murder is meat  
Your body is mulched  
To be sealed into tins  
And ferally munched

Dead meat  
Dead fucking meat
