Why don't you □ My baby

Talk to me, stop shaking your leg
Why do you say anything?
What's with that? (stutter)
Uh (stutter)
Quivering pupils (quiver)
Try to be quiet when playing games
It's all obvious, I see you fronting

Now you're laughing, irritatedly
"What did I do?"
You're shaking head to toe (shaking)
Yeah, you running like a thief
Nowhere for you to be hiding
What you what you wanna do right now
How stupid little dumb dumb stop now

Everybody said you were lying
Once becomes twice
Then it all becomes pieces
Everyone told me it was me who was crazy
I keep on falling and falling and falling

Stop it
Stop driving me crazy
Just stop
I cant take it much longer
Why don't you keep it low baby

Hmm yeah
Why don't you keep it low baby
Why don't you keep it low baby

This one;s really your last, tell me
You say you're sorry, but what for?
Said you were sorry, was all your fault
The sorrys you've been saying
Its all the same
Then what am I? You serious?

I'm done, I'm tired of all this
Tell me what you want
You really can't do this to me
Even though I push you away
I keep on falling and falling and falling

Stop it
Stop driving me crazy
Just stop
I cant take it much longer
Why don't you keep it low baby

Your lips, your eyes
Your head, hips, legs, everything
Your lips, your eyes
Your head, hips, legs, everything

Stop it
Stop driving me crazy
Just stop

I cant take it much longer
Why don't you keep it low baby
