Up and down, up up and down, up and down, up up and down

Up and down, up up and down, up

Up and down, up up and down, up and down, up up and down

Up and down, up up and down, down

I don't know, your eyes pretend to be innocent

You put me up and then bring me down

Then I feel loco oh oh

You drive me crazy like being forced to ride a

Roller co coaster su such a monster

(Hey baby boy)

Stop spinning me around and around

(Hey baby boy)

Stop being so risky

Stop touching me

Stop vaguely touching me

(You you why why you you why why)

Up and down, up up and down

I keep shaking up and down

Why don't u know

Don't u know don't u know

Clearly show me your heart

Why don't u know

Don't u know don't u know yeah ey

Up and down, up up and down, up and down, up up and down

Up and down, up up and down, up up down down

Your words, your face, they confuse me

You leave traces (shake shake shake shake)

Pretending it's not there, pretending you don't know

Playing games with me

You flirt with me (shake shake shake shake)

(Hey baby boy)

Stop spinning me around and around

(Hey baby boy)

Stop being so risky

Stop touching me

Stop vaguely touching me

(You you why why you you why why)
Up and down, up up and down

I keep shaking up and down
Why don't u know
Don't u know don't u know
Clearly show me your heart
Why don't u know
Don't u know don't u know yeah ey

Just do what you wanna
Do what you wanna
Stop teasing me and give me some clarity
I don't need useless words
I need your truth not your jokes
Don't make me stand at a crossroad, don't make me cry
(Up and down, up up and down, up up down)

I keep shaking up and down
Why don't u know
Don't u know don't u know
Clearly show me your heart
Why don't u know
Don't u know don't u know yeah ey

Up and down, up up and down, up and down, up up and down
Up and down, up up and down, up
Up and down, up up and down, up and down, up up and down
Up and down, up up and down
