You rang my bell again today, dang dang  
You know my password but I like that  
From the moment I grab the door knob, all the way to my bed  
I don't wanna be apart, hold me closer baby

I already dimmed the lights  
So we don't know whether it's night or day  
I closed the curtains too  
Even if the next door neighbors angrily pound on the door  
It's alright, I'm gonna move soon

Oh yeah but I have a favor  
Will you listen?  
No, I'll tell you later  
We have a lot of time
