It's already 2PM, I just woke up  
Maybe my heart was heavy, my bed's all tangled up  
With a trembling heart, I opened my phone  
But there's only two calls, both are just commercial

The reason I went to the convenience store as soon as I got up  
To get my milk and bread to fill up my heart, yeah  
I fill my stomach with ten chocolate bars  
But my heart won't be filled

I say I need  
Woo woo woo, woo you, woo you  
What I need is you, only you, only you, like  
Woo woo woo, woo you, woo you

You're the one to embrace my aching heart, yeah  
Wo wo wo would you would you  
Hold me again and sing for me like  
Woo woo woo, woo you, woo you  
The reason I'm crying like this, without an expiration date  
Love you

I looked in the mirror, my makeup is smudged  
But why can't my feelings of wanting you get smudged too?  
How, how?  
You comfort my tired heart

Woo woo woo, woo you, woo you  
What I need is you, only you, only you, like  
Woo woo woo, woo you, woo you  
You're the one to embrace my aching heart, yeah  
Wo wo wo would you would you  
Hold me again and sing for me like  
Woo woo woo, woo you, woo you  
The reason I'm crying like this, without an expiration date

If I have you  
Our love is strong and healthy  
If we leave this love alone, it'll make me sick

Woo woo woo, woo you, woo you  
What I need is you, only you, only you, like  
Woo woo woo, woo you, woo you  
You're the one to embrace my aching heart, yeah  
Wo wo wo would you would you  
Hold me again and sing for me like  
Woo woo woo, woo you, woo you  
The reason I'm crying like this, without an expiration date  
Love you

Oh you  
It's 2AM, I still  
I still can't fall asleep, just like always
