

Leaves falling down  
It might fall in down to the ground

I feel the sky  
That's my escape  
Can't find me now  
Inside my loneliness

I try to hide  
My tears away  
Still hurts inside  
Inside of me

Leaves are falling with the gutters  
Leaving me naked in my sorrow  
I see your eyes  
Leaves are falling with the gutters  
leaving me naked in my sorrow  
I miss your eyes

I edge this line  
Into my mind  
This time you are  
A part of me  
I let this out.  
That's not my sense  
Just feel it now  
Nothing is

Leaves are falling with the gutters  
Leaving me naked in my sorrow  
I see your eyes  
Leaves are falling with the gutters  
leaving me naked in my sorrow  
I see your eyes

Your eyes  
Your eyes  
Your eyes  
Your eyes

Leaves are falling with the gutters...

Leaves are falling with the gutters  
Leaving me naked in my sorrow  
I miss your eyes  
Leaves are falling with the gutters  
Leaving me naked in my sorrow  
I see your eyes

I see your eyes  
I miss your eyes
