

# For the Horde

Exmortus

Ride on  
Raise your sword and fight strong  
All shall face the mighty metal horde

Thunder  
We go in and plunder  
Bow before the heavy hammer lord

Whiplash  
Hackslash  
All is burned to ash

Vengeance rides on wrathful wings  
Agony and death we bring  
Battlebound we raise our swords  
For the horde

Thirst for blood cannot be quenched  
Crimson rain, our steel is drenched  
Victory, we raise our swords  
For the horde

Steadfast  
Necromantic spellcast  
Fallen warriors rise up from the grave

Undead  
Rivers running blood red  
Sea of crimson  
Feast of flesh they crave

Whiplash  
Hackslash  
All is burned to ash

Vengeance rides on wrathful wings  
Agony and death we bring  
Battlebound we raise our swords  
For the horde

Thirst for blood cannot be quenched  
Crimson rain, our steel is drenched  
Victory, we raise our swords  
For the horde

Whip  
Crack  
Bones will burn  
Black scorching heat  
Dust  
Feral bloodlust

God's dethroned  
Now flesh and bone  
Now spill their blood  
Drink of the flood

Unholy spell  
Unleashed from hell  
Raise up your swords  
For the horde

Vengeance rides on wrathful wings  
Agony and death we bring  
Battlebound we raise our swords  
For the horde

Thirst for blood cannot be quenched  
Crimson rain, our steel is drenched  
Victory, we raise our swords  
For the horde

For the Horde!
