Hey there, don't move
I'm in the middle of placing you in my eyes
I can tell you don't hate it, that's the key
Because at the end of a long day, I only wanna see you
Every day, I sprout up at the thought of you
Small emotions start to bud
Suddenly, deep inside of me, you started to grow
Just looking at you is not enough
The moment my hands touch you
You bloom inside my heart

So baby, can I be your boyfriend, can I?
I want to show you a world you've never seen
So baby, can I be your boyfriend, can I?
If you want, I want to give you everything

Oh baby oh baby
So your scent can wash all over me
Oh baby oh baby
Answer me now

Today, I feel blue
Feeling like I'm trapped, that kind of mood
But you're the master key who'll unlock me
Your joyful colors change my days, yeah

Every day, I sprout up at the thought of you
Small emotions start to bud
Suddenly, deep inside of me, you started to grow
Just looking at you is not enough
The moment my hands touch you
You bloom inside my heart

So baby, can I be your boyfriend, can I?
I want to show you a world you've never seen
So baby, can I be your boyfriend, can I?
(All I need is love babe)
If you want, I want to give you everything

Oh baby oh baby
So your scent can wash all over me
Oh baby oh baby
Answer me now

Ey oh your playful response
Say oh makes me feel so dizzy
K.o., girl you knock me out
You knock me out, me, oh baby

Your black eyes that reflect me
Your red lips that whisper to me, yeah alright
Your hands that are about to touch (all of you)
So beautiful, so breathtaking (can I)

Can I be your boyfriend, can I?

I'll be the start and end to your day
So baby, can I be your boyfriend, can I?
So you can bloom most beautifully

Oh baby oh baby
So your scent can wash all over me
Oh baby oh baby
Answer me now
