(Oh Oh Oh Oh)  
Oh Oh Oh Oh Oh Oh  
(That's right)

I was busy all day long  
I can't even walk as usual  
But this night is too cool to go home  
I don't have any plans yet  
But my feelings are high

I don't have plans, why don't I call you  
What you think about that  
What you think about that that  
That moon calls us so badly  
What you think about that  
What you think about that that

Hey Mama, at this very moment  
Let's make a night (Woo oh woo oh)  
Just you and I (Woo oh woo oh)  
Hey Mama, a night with nothing special  
Let's make a night (Woo oh woo oh)  
Just you and I (Woo oh woo oh)

(That's right) (Ooh whoo whoo)  
Forget everything and come here  
(That's right) (Ooh whoo whoo)  
Surprise me right now  
(That's right) (Ooh whoo whoo)  
Step into the night, get on the stars  
(That's right) (Ooh whoo whoo)  
Look at me rushing to you  
(That's right)

Yo, no need to dress well  
So what if you came right after work?  
It'll take a long time if you get dolled up  
But you're already pretty

Actually you're hot whatever you wear  
It's obvious even if we make plans  
We don't have enough time  
Sun is downing now

I want to see you now  
What you think about that  
What you think about that that  
I want to fly on this heat with you  
What you think about that  
What you think about that that

Hey Mama, at this very moment  
Let's make a night (Woo oh woo oh)  
Just you and I (Woo oh woo oh)  
Hey Mama, a night with nothing special  
Let's make a night (Woo oh woo oh)  
Just you and I (Woo oh woo oh)

(That's right) (Ooh whoo whoo)  
Forget everything and come here  
(That's right) (Ooh whoo whoo)  
Surprise me right now

(That's right) (Ooh whoo whoo)

Change your daily life all  
(Change, change everything)  
Everyday is a party day  
(It's a party day, it's a party day)  
Change the whole world  
Until everyone falls down, all night

Hey Mama, everyone stand up now  
Let's make a night (Woo oh woo oh)  
Just you and I (Woo oh woo oh)  
Hey Mama, a special night because we're together  
Let's make a night (Woo oh woo oh)  
Just you and I (Woo oh woo oh)

(That's right) (Ooh whoo whoo)
