□□ □□ Oh, my Juliet, Juliet
Juliet, Juliet

Your smile awakens me
And makes me forget the long nights
So close yet so far away,
Your form pulls me along

Let me love, let me love,
Let me love, love you girl
Movin' up, movin' up,
Movin' up, up the world
Baby, everyday I'll only look at you
Our hearts blur into one even faster
And they won't stop

Oh, girl, in my eyes,
You're such a beautiful Juliet, Juliet
Oh, girl, so close I feel like I could
Touch you if I reached out, my Juliet, Juliet

Every time I call out your sweet name
I'm dreaming a deep dream
In my heart, that's rocking
As if I were dancing,
You've completely filled me up like the moon
My only wish, oh my Juliet, Juliet

I'll be the one person
To take form
In your clear eyes, oh

Let me love, let me love,
Let me love, love you girl
(Love you girl)
Movin' up, movin' up, movin' up,
Up the world (Up the world)
Baby, all of my words are only for you
I hope my feelings will fly off to reach you
So I can let you know all about them

Oh, girl, in my eyes,
You're such a beautiful Juliet, Juliet
Oh, girl, so close I feel like I could
Touch you if I reached out, my Juliet, Juliet

Every time I call out your sweet name
I'm dreaming a deep dream
In my heart, that's rocking
As if I were dancing,
You've completely filled me up like the moon
My only wish, oh my Juliet, Juliet, I know

Baby girl, just come to me
I'll be by your side (Oh)
I will sing all night long
For you, yeah

At the end of my endless confession,
When our eyes meet
The curtain opens on our own stage tonight
(Yeah, yeah, yeah)

Oh, girl, in my heart
You're such a beautiful Juliet, Juliet
(Juliet oh!)
Oh, girl I'll dedicate
All of my nights to you, Juliet, Juliet

Every time I call out your sweet name
I'm dreaming a deep dream
Always, through my window that's always open
You shine on me like the moon
My only wish, oh my Juliet, Juliet
Juliet, Juliet
