Tonight without knowing why
I feel so strange Oh no
Silence in dim light at the moment
Hardened

I am not now or never
I feel like I can not get out of you
I can not run away with all my strength
I do not do do

It's beautiful
Deep trap You see me
I have already
With two feet tied to you again

If you look at you and look at you
Suddenly creepy creeps

I feel a little more dangerous than love
Yeah I will come before you

A face with no face
Between the laughter of the child
The tempest tea
Dare i can afford you

It's beautiful
Deep trap You see me
I have already
With two feet tied to you again

If you look at you and look at you
Suddenly creepy creeps

Yeah The darker the better
Show ya (Show ya)
Babe (Show ya)

Yeah Do not laugh with that look
If you look at me like you read my head
Goose bumps steadily
I do not push you with cold words
I want you still my heart
I keep digging like I'm already addicted
There is no exit like a maze
Even if you try to forcefully run in reverse

You hovering over my head like blanche
Your hand as if you were holed
I know it's dangerous
I can not get out of here like caffeine
Now
Gesture voice voice
I can not break up
When you get up, you cry again next to you

It's beautiful
Deep trap You see me
I have already
With two feet tied to you again
