My heart is beating from the hot rhythm
My heart is heating up right now
Come on shake it, wake up your instinct
Before this moment is over

Ayaya, tonight I'm the dancing king
Falling for me
Ayaya, tonight dance with me all night

Oh throwing the boring day far away
Keep the joy that was sleeping inside of me
Hop into here, the magic of rhythm
Señorita, I'll give you a surprising night

Give yourself to the clumsy gestures
Just get crazy (ooh ah, ah, ah, ah, ah)
Feed the fire in your exhausted heart
Let's dance together, cause tonight

My heart is beating from the hot rhythm
My heart is heating up right now
Come on shake it, wake up your instinct
Before this moment is over

Ayaya, tonight I'm the dancing king
Falling for me
Ayaya, tonight dance with me all night

Get ready

When you want to forget all annoying things
Don't worry, you can just come to me
Yeah mambo, tango, rumba, samba
Tell me whatever it is, buona sera
I'll invite you to a wonderful world

Give yourself to the clumsy gestures
Just get crazy (ooh ah, ah, ah, ah, ah)
Just for this time, forget everything
Let's dance together, cause tonight

My heart is beating from the hot rhythm
(Don't hesitate) my heart is heating up right now
(Heating up) come on shake it
Wake up your instinct (shake it together)
Before this moment is over (oh yeah)

Ayaya, tonight I'm the dancing king
Falling for me
Ayaya, tonight dance with me all night

Shake it to the left, now shake it to the right
Until the moonset, don't stop yourself
Shake your body oh my, dancing all night
Blinded by you, I can't let you go

Awoo

We only live once anyway
Shall we run to that end over there?
Come on shake it, wake up your instinct
We're happy like this right now

Ayaya, tonight I'm the dancing king
Falling for me
Ayaya, tonight dance with me all night
