Baby tell me where the line is
Baby tell me where the line is

I’ve opened all of me for you
My eyes, the deepest part of my heart
In a world that’s closed without a small crack
It’s the only place that’s open for you

They never know
A completely different world
Only we can feel it
They never know
The reason we became this close

The rain makes everything wet
We’re ignoring everyone’s eyes
I’ll cross the line first
To the place where you are, cross that

Oh would you dare to cross the line

Yeah, don’t listen to the things
That try to break us down
No oh oh
They’re jealous of us
Because we enjoy it rather than avoiding it
Our own message
They targeted it
Hurting us however they wanted
The more I kiss the scar from the arrows
I’m falling more for you every day

They never know
They haven’t seen
The back of the blue moon
They never know
The reason I’m going closer

The rain makes everything wet
(Rain that covers eyes)
We’re ignoring everyone’s eyes
(Love is blind, love is blind)
I’ll cross the line first
To the same world you’re in, cross that

My love is already in your heart
Filled up like a full moon, set free
Past the hesitation, past that line
No matter what they say, don’t believe it

Let go, don’t say no
Let go, don’t say no
Don’t listen to other voices baby
Let go, don’t say no
Let go, don’t say, don’t say
You’re too beautiful
For us to follow the ending
They’ve already thought out

The rain makes everything wet

We’re ignoring everyone’s eyes
I’ll cross the line first
To the place where you are
Baby tell me where the line is
Baby tell me where the line is
