No words can replace you  
(Do not you need it?)  
I can not express  
I do not need anything else  
(Anything else?)  
Yes you are

Your stupid silhouette  
You're beautiful in the shadows  
Make me crazy  
That little action

Swiftly swept  
That sexy hand gesture Baby  
Your hand gesture  
I was attracted to you  
The lost hand gesture Baby  
My hand gesture

Ay, and she goes like (Nanana)  
Ay, all the girls go (Nanana)  
Oh yeah

You are now complete  
Feeling good now (Feeling good now?)  
Yeah I'm feeling good now  
But what does Boom say in my head?  
(What what is your mind black out, Uh!)

Remind imagination  
I draw hundreds of you  
All the little gestures look like your voice

Swiftly swept  
That sexy hand gesture Baby  
Your hand gestures (carefully drawn)  
I was attracted to you  
The lost hand gesture Baby  
My hand gesture

All my ladies say yeah (Nanana)  
Ay, in one voice feel me? (Nanana)  
All my ladies say yeah (Nanana)  
Yo, yo sing it again (Nanana)

Why not  
You do not have to be great  
With just one little hand gesture  
You hold me and shake me  
(Shake it, Babe)

Oh you got what I want  
Ay, months I need only you  
(That's all, Babe)  
Oh you got what I want  
Ay, you need to be next to me in the moon

You do not want to regret it  
I can not help myself  
Even if I do not pretend to do it  
I keep telling you  
Your eyes are getting closer  
I thought you did not know you were headed for me  
(Tell me if you want me)

Swiftly swept  
That sexy hand gesture Baby  
Your hand gesture  
I was attracted to you  
The lost hand gesture Baby

My hand gesture

Sing it sing it baby (Nanana)  
Ay c'mon c'mon do it again (Nanana)  
Come with me

White fingertips  
Oh to tempt me  
Sometimes  
Your hand gesture  
I am stingy at me  
(Show me more of you)

Oh it's like going through you (Watch it baby)  
Watch it baby  
I have a hand gesture  
You do not pause
