Wolf

Exo

I feel the sensation; I feel it at once.
I'll take you in one mouthful like cheese.
I take in (your) scent, scrutinize (your) color
I'll eat you up with more refine than (drinking) wine.
Ah, but the strength in my toenail weakens, so my appetite yeah is gone.

Maybe I'm sick. Have I fallen ill?
Yeah I'm in trouble.
Get a grip. How'd you get your heart stolen by a human?
It's (the human) only a one-bite meal.

Hey bite tight and then shake, shake 'til you lose your mind.
Hey do it in a style you've never tried.
Before the big full moon comes out, do away with it.

That's right wolf. I'm a wolf. Awhooo~
Ah I love you~
I'm a wolf and you're a beauty.
That's right wolf. I'm a wolf. Awhooo~
Ah I love you~
I'm a wolf and you're a beauty.

I've fallen for this irresistible, powerful feeling and I've let go (of myse
lf).
I like simplicity
The hidden thing within me has opened its eyes now.

Eeyahh~ Look at that girl fall into terror
Can't, can't understand the situation before her eyes.
'That dirty wolf guy will end up eating me.'
But that's not it. I've fallen in love (with you).
I'm already a pro. A goddess like you.
The one who's stolen my entire heart
I am only a healthy offering/sacrifice.
I'm already a fool. A goddess like you.
The owner who's to pull out all of my teeth
I am only a faithful slave.

Hey bite tight and then shake shake 'til you lose your mind.
Hey do it in a style you've never tried.

I can't get enough of you. I'm in trouble.
Ooh ooh ooh ooh ooh ooh ooh ooh
I can't get enough of you. I'm in trouble.
Ooh ooh ooh ooh ooh ooh ooh ooh

That yellow moon teases me, that I can't have you.
'But you're only a rough beast.'
If you're going to say that kind of thing, get lost. If you need (me), chang

e me.
I can never let her go.
