Give me XOXO L.O.V.E
You're my XOXO L.O.V.E
Yeah baby, oh... XOXO□Oh...
□□□ Oh yeah...

XOXO XOXO XOXO Yeah

Lightly kissing you X is called Kiss
Tightly hugging you O is called Hug
The words I want to say perhaps you already know

One day, in a letter, I hid my sincere feelings
Behind the last line's expression of affection
But I can't send it across the distance to your heart, ah...

"How have you been doing lately?", such a mundane question
Why is a mind a blank disk full of only ordinary topics
When my heart is deep and mysterious deeper than the sea
I want to say something to you be with me

Even when I'm deep in a dream (in a dream)
I gently open my arms (in my embrace)
Wholeheartedly XOXO hugging you XOXO
Breathing that becomes quicker and quicker (quivering XO)
Seeming as if reaching out my hand is possible (kissing you)
Baby, XOXO in all of my dreams XOXO

Give me XOXO L.O.V.E
You're my XOXO L.O.V.E

When you're by my side, my happiness seems like static
The warmth of happiness touches you
When you smile you make me dizzy ah...

It's so simple it's not even a question yes or no
Just tell me X or O
Stop waiting pointless deliberation yeah

Should I gather up the courage to deliver it to you?
It's like writing a password an incoherent letter
With just these mere words capturing your essence is not easy
But I have the perseverance of a man

Even when I'm deep in a dream (in a dream)
I gently open my arms (in my embrace)
Wholeheartedly XOXO hugging you XOXO
Breathing that becomes quicker and quicker (quivering XO)
Seeming as if reaching out my hand is possible (kissing you)
Baby, XOXO in all of my dreams XOXO

The XO that is missing you you're my only one
You're my only one you you're my only one
The XO for you please accept me
Please accept me please please accept me

Incomparably dazzling you appear in front of me
The moon in your eyes brings out your brightness
It shines on me saying to me "You're infatuated"
Like whoa, let's go (Baby every night)

Even when I'm deep in a dream (in a dream)
I gently open my arms (in my embrace)
Wholeheartedly XOXO hugging you XOXO
Breathing that becomes quicker and quicker (quivering XO)
Seeming as if reaching out my hand is possible (kissing you)
Baby, XOXO in all of my dreams XOXO

Give me XOXO L.O.V.E
You're my XOXO L.O.V.E
Yeah baby, oh... XOXO! oh...
You and me, oh yeah...
