

Dangerous Visions

Exploited

I thought I heard a woman crying Did she say her child was dying
Thought I heard a building tumbling Was it a dream or dangerous
visions I was sure I saw a bomb sometime falling Then I woke
up I was calling Sure I saw a rescue mission Was it a dream or
a final warning

PEOPLE LIVING, PEOPLE WALKING PEOPLE DYING, PEOPLE CRAWLING
PEOPLE LAUGHING, PEOPLE TALKING PEOPLE CRYING, PEOPLE SCREAMING (2

One day the rivers stopped flowing Then one day the grass stopped
growing All is night there is no warning Now you may laugh
and you may sneer Can't come true can't happen here Close your
eyes pretend you're blind But what will you do when the end is
near I wondered why the girl was crying Then I saw her parents
dying Then I saw a rescue mission Was it a dream or a dangerous
vision Did I see a bomb sometime falling Or did I hear the woman
crying All is darkness there was no warning Was it a dream
or a dangerous vision Was it a dream of dangerous vision
