

Dogs of War

Exploited

I've got a uniform.
And I'm okay.
Killing and ripping.
Just for a day.

Dogs of war, we're after you.
Dogs of war, we're after you.
Dogs of war, we're after you.
Dogs of war, WE'RE AFTER YOU.

Stab him with my bayonet.
I'll shoot him with my gun.
I'm a psycho killer.
Just for fun.

Dogs of war, we're after you.
Dogs of war, we're after you.
Dogs of war, we're after you.
Dogs of war, WE'RE AFTER YOU.

Dogs of War.
Dogs of War..
Dogs of War...
Dogs of War....

What does it mean?
And I don't give a damn.
Let me forget.
Cause tomorrow you're dead.

Dogs of war, we're after you.
Dogs of war, we're after you.
Dogs of war, we're after you.
Dogs of war, WE'RE AFTER YOU.
