

## Down Below

**Exploited**

My ears are filled with a deafening roar A howling wind and the  
temperature soars The houses crack the city falls A deadly dust  
brings death to all

IN THE SHELTERS DOWN BELOW THEY COULDN'T CARE LESS THEY DON'T WANT  
TO KNOW IN THE SHELTERS DOWN BELOW THEY COULDN'T CARE LESS  
THEY DON'T WANT TO KNOW

Adults and children wander through the streets They scream with  
pain with blistered feet You're all going to die a horrible death  
A living death that will eat your flesh As your eyes melt they  
drink champagne While your body burns they feel no pain You  
're all going to die for a government cause But why should we die  
for the chosen few
