

# I'll Never Get Over You Getting Over Me

Exposé

I hear you're taking the town again,  
Having a good time with all your good time friends  
I don't think that you think of me  
You're on your own now, and I'm alone and free  
I know that I should get on with my life  
But a life lived without you could never be right

CHORUS:

As long as the stars shine down from the heavens,  
Long as the rivers run to the sea,  
I'll never get over you getting over me  
I try to smile so the hurt won't show  
Tell ev'rybody that I was glad to see you go  
But the tears just won't go away (won't go away)  
Loneliness found me, looks like it's here to stay  
I know that I ought to find someone new  
But all I find is myself always thinking of you

CHORUS

Oh, no matter what I do,  
Each night's a lifetime to live through  
I can't go on like this  
I need your touch  
You're the only one I've ever loved

Oh oh ah

SAXOPHONE SOLO

And as long as the stars shine down from the heavens,  
Long as the rivers run to the sea,  
I'll never get over you getting over me  
(I'll never get over you getting over)  
Never get over you getting over  
I'll never get over you getting over me
