

# Seasons Change

Exposé

(Martiness)

Some dreams, are in the night time  
And some seem like yesterday  
But leaves turn brown and fade  
Ships sail away  
You long to say a thousand words but  
Seasons Change.  
It feels, like it's forever  
No reason for emptiness  
But time just runs away  
No more day by day,  
You dream and yearn and sees the day when  
Seasons Change  
I want you  
I want to feel you by my side  
I need you  
Don't you know I need you baby  
Seasons change  
Feelings change  
It's been so long  
I've found you yet it seems like yesterday  
Seasons change  
People change  
I'll sacrifice tomorrow just to have you here today  
Forever, seems so far away  
This time full of ample play  
You dream about today  
Belief slips away  
The wings of love they come away and  
Seasons change  
I want you  
Don't hide your feelings from inside  
I need you  
Got to have your love now baby  
Seasons change  
Feelings change  
It's been so long  
I've found you yet it seems like yesterday  
Seasons change  
People change  
I want you  
I want to feel you by my side  
I need you  
I got to have your love now baby  
Seasons change  
Feelings change  
It's been so long  
I've found you yet it seems like yesterday  
Seasons change  
People change  
I'll sacrifice tomorrow just to have you here today  
People change, feelings change-  
It's been so long  
I've found you yet it seems like yesterday  
People change- people change  
People change- people change
