

Rotten innards excreting from abdomens
Larvae swarming the deformed corpses
Stripped of flesh and cut up into slabs of meat
A place of true equality

Born to suffer, taught to live afraid
To gorge on tumorous lust to be scorned
Deadbeat dead meat paralyzed by dread of being
Ever condemned of blasphemy

Born to suffer!
Born to suffer!
Born to suffer!

The pits of rotting decomposing bodies
Shall accept all indiscriminately

Impurity cleansed by butchery
Corpse pit receives a new abomination
Impunity ripped from clenched teeth
Corpse pit is your final destination

Вот ты в яме с трупами лежишь
Разложение тела
Вот ты в яме с трупами лежишь
Разложение тела

Вот ты в яме с трупами лежишь
Разложение тела
Вот ты в яме с трупами лежишь
Разложение тела

Вот ты в яме с трупами лежишь
