

Terror Domination

Extermination Dismemberment

Initiate destruction sequence

Rend their flesh to shreds!

Purging the gene pool with terror
Collecting the body parts for the machines
Feeding the blood-fueled engines

Drop your weapons! You are surrounded!
All I am surrounded by is fear
And dead men

Flesh is getting torn and twisted
Tendons are ripped apart
Let the blood pour

Terror domination!
Terror domination!

Grind their bones to dust!

Dominate, spread the panic, sow the pain
Propagate, eliminate, defy, devastate
Reign of terror exsanguinates resistance
Strewn with corpses hollow ground is all that will remain

Let the procedure persist
Terror spreading protocol
Gears grinding the flesh and bones
Shall not run out of the resource

Dominate, spread the panic, sow the pain
Propagate, eliminate, defy, devastate
Reign of terror exsanguinates resistance
Strewn with corpses hollow ground is all that will remain

Bleed them!
Return them to the dirt!
Restore the order!
