

## Crawl

Extreme Noise Terror

Ravaged inside.  
Soul torn apart,  
raging distrust.  
Self doubt.  
Distorting concepts.  
Confusion malign.  
Malevolence bleeds...  
You dry.  
Twisted and warped.  
A mental war.  
Aberrations rage.  
Ravaged inside.  
Confusion blinds.  
Sanity decays.  
Buried alive,  
With suffocating rage.  
Perceptions invert to hate.  
Crawl you fucker crawl.
